I WOULD
PROBABLY
DO THE SAME

I TOOK IT AS A SIGN

A SIGN THAT I HAD TO
COME TO CHICAGO
TO LOOK FOR YOU

re-60 IN-LA!

AND TO
THINK YOU'D
BE WAITING
FOR ME IN
THE TRAIN
STATION!
IT REALLY
WAS FATE!

MOM
...

MOM,
I...

IT'S OK,
YOU DON'T
HAVE TO SAY
MUCH.
I KNOW, IT'S
A LOT TO TAKE
IN, AND EVEN
MORE TO
ASK FOR
...

BUT
GABRIEL,
WITH FEAR OF
SOUNDING
SELFISH,
I NEED TO
ASK...

WOULD
YOU EVER

FORGIVE
ME?

COMMENT OF THE WEEK

Sophie Bowman · 5 days ago · Report

I think the cheat code to the one wish a day thing is to wish for a different flavor of ice cream every day. And when you run out of ice cream flavors, switch to frozen yogurt. You could also do different kinds of chocolates, there's so many! Seriously, palatable chocolate ranges from 1% cacao to 80-85% , and there's a bunch of different fillings. And it's plausible enough for someone to walk by offering free samples of whatever you wished for. Maybe I just have too much of a sweet tooth though

YOU'RE A GENIUS DEAR SOPHIE!
I THINK I PREFER THIS APPROACH THAN
WISHING FOR THE SAME THING SEVERAL
TIMES IN A ROW. JUST IMAGINE ALL THOSE
CHOCOLATES! AND THEN YOU COULD GO
FOR DONUTS! AND THEN FOR POPCORN??
(MAYBE I'M JUST A GLUTTON...)

I LOVE THIS IDEA ALMOST AS MUCH AS SEEING
YOU GUYS' FANART! AND THIS WEEK'S I'M
SHARING THE WORK OF OUR DEAR KARLA!

(BTW I TOOK
THE LIBERTY TO CROP
THE SCREENSHOT PART
AROUND THE ART, I HOPE
